Kid Friendly Standards

Grade K

Strand I: Number and Operations		
Students will understand numerical concepts and mathematical operations		
Code	Kid Friendly Standard	Checklist
MA K.1.1*	I can count accurately to 20.	
	I can compare and put numbers in order.	
	I can read and write numbers up to 20.	
	I can match numbers to groups of objects.	
	I can count objects one by one.	
	I can put numbers in order from least to most or most to least.	
MA K.1.2*	I can show numbers using pictures, objects, or numerals.	
MA K.1.3	I can solve simple story problems.	
MA K.1.4	I can estimate/guess amounts up to 20.	
Strand II: Algebra		
Students will understand algebraic concepts and applications.		
Code	Kid Friendly Standards	Checklist
MA K.2.1	I can identify objects by color, size and shape.	
MA K.2.2*	I can sort, classify and order objects many ways.	
MA K.2.3*	I can recognize, copy and build patterns.	
MA K.2.4	I can use objects, pictures and words to show that I understand math symbols.	
MA K.2.5	I can show numbers using objects or pictures.	
MA K.2.6	I can describe changes.	
Strand III: Geometry		
Students will understand geometric concepts and applications.		
Code	Kid Friendly Standards	Checklist
MA K.3.1*	I can describe, identify, model and draw shapes.	
MA K.3.2	I can describe how shapes and solids are alike and different.	
MA K.3.3	I can follow directions to find a place.	
MA K.3.4	I can use manipulatives to show flips, slides, and turns.	
MA K.3.5	I can show symmetry.	
MA K.3.6	I can tell how to get from one place to another.	
MA K.3.7	I can find and describe shapes in the environment.	

Strand IV: Measurement

Students will understand measurement systems and applications.

Code	Kid Friendly Standards	Checklist
MA K.4.1*	I can measure length, volume, weight, and time.	
MA K.4.2	I can use tools to predict measurements.	
MA K.4.3*	I can measure using non-standards units.	
MA K.4.4	I can tell time to the hour.	
MA K.4.5	I can explore measuring with objects like paper clips and cubes.	

Strand V: Data Analysis and Probability

Students will understand how to formulate questions, analyze data, and determine probability.

Code	Kid Friendly Standards	Checklist
MA K.5.1*	I can collect and record data about objects or events.	
MA K.5.2*	I can describe and ask questions about data.	
MA K.5.3	I can make predictions.	
MA K.5.4	I can answer questions about the possibility of an event happening.	

*Power Standard
